

Cherry Mathew Roy

Before this program my academic/professional/personal background is primarily :

Academic: Mechanical Engineering Degree

Professional: UX Designer / Entrepreneur

After this program I hope to be ...

A Product Manager (Design-focused)

For this class, I am most interested to learn more about :

System Thinking

Project Planning

For this class, I am most anxious about my skills in :

Software Design and Development

Electrical and Electronic Engineering

Skills and Growth Plan - Cherry
